Invitation Letter for Unnat - 2020

Dear Sir/Madam

"The only unique contribution that we will ever make in this world will be born of our creativity."
— Brené Brown

Indraprastha WORLD SCHOOL stands committed to impart quality education to children and empower them with knowledge and skills to face the challenges of life dexterously, and ensure that our children are fully prepared to face the future challenges with grit and confidence.

At present, when the entire world is hit by the blatant malady of Covid-19, we as educators rose up to the situation to provide our children a comprehensive virtual platform to pursue their academics unabated. For we believe that the strong will to face the challenges with alternative measures is the only way to get out of these testing times. The paradigm shift of Teaching-Learning process from conventional method to the digital world has made us believe that our children are advancing towards a new era. Hence, it becomes imperative for us to provide our young prodigies a wider platform to enhance their physical, social, emotional and cognitive skills during these times.
